Amendments to the Specification:

Please **insert** the following **new paragraph** at **page 13** of the specification, just prior to the final paragraph beginning: "Exemplary embodiments of … "; as follows:

An embodiment of the present principles may involve, for example, a computer program product for a set-top-box that comprises a set of instructions, which, when loaded into the set-top-box, causes the set-top-box to carry out the method, for processing a stream of fixed length packets, described herein above. Moreover, another embodiment of the present principles may involve, for example, a computer program product for a television set that comprises a set of instructions, which, when loaded into the television set, causes the television set to carry out the method, for processing a stream of fixed length packets, as described herein above.
